憑信念 • 創機會 • 傳希望

人生百態，形形色色。如飛行棋般，有些人一鼓作氣，由起點順利直飛終點，由頭帶到尾；有些人則前進後退，走走停停。

不管你是哪種，人生沒有所謂的特定模式。只要你願意，哪怕每次只是前進一兩格，甚或要從起點重新開始，堅持信念，我們的棋子終將到達目的地。

Faith • Opportunity • Hope

Everyone has their own different life experiences which make them who they are. Some people, like playing a ludo, will go vigorously and reach the destination smoothly; while some will make a stop-and-go fly.

No matter how you go, there is no such a standard protocol to follow. As long as you keep trying, staying with faith and hope, you will finally reach the destination.
